UP PROVIDES POWERFUL ADVANTAGES

With MHA’s Home Affordable Unemployment Program (UP), you can put your energy into finding a new job without worrying about making payments you can’t afford. When you do land your next job, if you still need help, your mortgage company must evaluate you for the Home Affordable Modification Program (HAMP), or other foreclosure prevention alternatives more suitable to your situation.

**STEP 1:
LEARN ABOUT YOUR OPTIONS.**

For more information on UP and other programs designed to provide mortgage help, visit MakingHomeAffordable.gov. If your mortgage is owned, insured, or guaranteed by Fannie Mae, Freddie Mac, FHA, VA, or USDA, ask your mortgage company which solutions will work best for you.

**STEP 2:
GET YOUR FINANCIAL INFORMATION IN ORDER.**

Your mortgage company will ask for your personal and financial information in order to determine what kind of help they can offer. Always provide the most current version of anything requested and provide it in a timely manner. Your list may vary, but be prepared to present:

- Evidence of unemployment.
- Information about your expenses, including any other mortgages on your home.
- Documentation of your assets, including your two most recent bank statements.

**STEP 3:
CONSULT A HOUSING EXPERT.**

With so many financial terms and a process that can be complicated, you would benefit greatly from the help of a professional. Let an expert from a HUD-approved housing counseling agency guide you through the process; help you prepare needed documents and forms; facilitate the dialogue between you and your mortgage company; and in many cases, even submit your application for mortgage assistance. Studies suggest that homeowners who work with housing counseling experts are more likely to have their mortgages modified, enjoy long-term homeownership success, and avoid foreclosure. Best of all, they work in your best interest and at no cost to you. Call 888-995-HOPE (4673) for help 24/7 and in more than 170 different languages; or visit HUD.gov to find a housing counseling agency near you.

**STEP 4:
SUBMIT YOUR REQUEST FOR MORTGAGE ASSISTANCE.**

In order for your mortgage company to determine whether you qualify for UP, you must supply the financial information you’ve gathered as part of a complete Initial Package of application materials:

- Request for Mortgage Assistance (RMA) Form
- IRS Form 4506T or 4506T-EZ; or your most recent tax return
- Income verification

**STEP 5:
BE PERSISTENT.**

Stay in touch with your mortgage company throughout the process. Call for updates and respond to their requests. Remain focused and be persistent about getting to a resolution. Keep in mind that UP is just one of the tools your mortgage company has in its toolbox. If you apply but don’t qualify for UP, your mortgage company should explain to you in writing the reason and give some alternatives. Ask what other solutions might suit your particular situation and be sure you know whom to contact for answers.
